Return Unwanted Medicines

RETURN · REMOVE · READ

RETURN UNWANTED MEDICINES TO PHARMACY FOR SAFE DISPOSAL

WHY? Storing expired or unwanted medicines in your home can be dangerous, and disposing of medicines inappropriately can damage the environment.

SIMPLY FOLLOW THESE 3 STEPS

READ

Go to your home medicine area. Read your medicine labels, checking expiry dates. Consider whether you need all your medicines.

REMOVE

Remove all expired and unwanted medicines from your home medicine area and place them in a bag or container.

RETURN

Return all your expired and unwanted medicines to your local pharmacy. Your pharmacist will put your medicines in a secure bin for safe disposal.

For more information, visit **returnmed.com.au** or talk to your local pharmacist.
