

DID YOU KNOW OVER **5,000** CHILDREN END UP IN HOSPITAL DUE TO MEDICINES POISONINGS EACH YEAR?

[Insert pharmacy name] and **Return Unwanted Medicines** is encouraging local residents to dispose of expired and unwanted medicines responsibly. Storing medicines you no longer need in the home can be dangerous, and disposing of them inappropriately can also damage the environment.

SIMPLY FOLLOW **3** STEPS TO A SAFER HOME FOR YOUR FAMILY:

READ

Go to your home medicine area. Read your medicine labels, checking expiry dates. Consider whether you need all your medicines.

REMOVE

Remove all expired and unwanted medicines from your home medicine area and place them in a bag or container.

RETURN

Return all your expired and unwanted medicines to your local pharmacy. Your pharmacist will put your medicines in a secure bin for safe disposal.

For more information, come and talk to the team at [insert pharmacy name] or visit returnmed.com.au.
